	Total Number of Flats including Pent House (A + B)				1,914	14	-												
															NET COVERED AREA ON ALL FLOORS		3,705,576.314		
	NET PROPOSED GROUND COVERAGE							556,033.267	22.97%						OVERLL ACHIEVED F.A.R.		1.531		

Note:- For Commercial FAR 1.75 and Ground Coverage 40% as per Govt notification no 17/9/1/08/-1HG2/7059 date 7th Nov 2008
For Community Centre Ground Coverage 40% and FAR as 1.50
For Primary cum Nursery school Ground Coverage 40% and FAR as 1.00
Ammendments made in are marked thus

Note:-
As per notification no. Dated 16-05-2016 regarding provision of EWS housing, we shall pay to the Development Authority / Govt. @ 1500/- per square feet as EWS fund in lieu of construction of 10% dwelling units.

Total No. of flats in the site = 1914 nos.
EWS flats required = 191.4 nos. say 192 nos.
EWS flat provided = 150 nos. (1.875 acres EWS Flats)
EWS flat against which EWS fund = 42 nos. EWS units

Note:- Out of 192 nos. EWS unit required, we have already transfer the EWS site measuring 1.875 acres (i.e. 150 EWS Flats) to the Development Authority. We will pay EWS fund as per notification cited above for remaining 42 nos. EWS flats (considering area of EWS flat as 28 sqm and total area of units shall be 42 nos. x 25 sqm x 10.764 = 11302.20 sft) to the Development Authority as per the decision taken in 39th meeting of layout and building plan approval committee.

FOR EWS DETAILS & CALCULATIONS REFER DRAWING NO. - LP-01

Note:-
1. As per survey done at site, the distance between conductors of transmission line and the nearest proposed building is adequate. However, shifting of the HV transmission line is required as per the guidelines annexed to CTP(Pb) memo no 702-21-CTP(Pb)/SP-107 dated 04-02-2005 under point 2.b.(iii-III) i.e. 'No building shall be allowed within a distance of 11.7mtr or 38'-0" + building's carriage and FAR shall not be as per Punjab Building Rules 2013 or as amended from time to time.
2. Basement shall be designed to bear load of fire tender.
3. Extended basement shall be kept below NOL.
4. Basement shall be used for parking purposes only.
5. All the connecting elements / Pergola joining the buildings shall be 6.0 m above Road Lvl., in order to provide proper Fire Tender Movement.
6. No light / Ventilation for the building shall be taken from the side marked as 'X'.
7. For parking calculation in basement refer basement plan of basement A, B, C & D separately.
8. We shall provide MS barrier with maximum clear height of 2.5 m above road lvl. in parking lots proposed under HT Line passing through this township.

Note: Revision in this layout plan is carried out for changes in area bound with Red Line. Rest of the planning is as per the approved layout plan approved by this office letter No. 1015 CTP (Pb)/MPL-3 dated 18.03.2016.
